This commencement program will be available at http://commencement.ucf.edu/2014/spring/archive for download as a PDF beginning Monday, May 5, 2014.
### The UCF Creed

**Integrity, Scholarship, Community, Creativity, and Excellence are the Core Values That Guide the University’s Conduct, Performance, and Decisions.**

**Integrity**

I will practice and defend academic and personal honesty.

**Scholarship**

I will cherish and honor learning as a fundamental purpose of my membership in the UCF community.

**Community**

I will promote an open and supportive campus environment by respecting the rights and contributions of every individual.

**Creativity**

I will use my talents to enrich the human experience.

**Excellence**

I will strive toward the highest standards of performance in any endeavor I undertake.

---

| College of Arts and Humanities | The senses of sight, sound, and sensation are transformed by spirit and creativity into meaningful diverse forms of expression in the College of Arts and Humanities. |
| College of Business Administration | Familiar symbols elicit world marketplace images of competition and finance for the College of Business Administration with its innovative curriculum, state-of-the-art facilities, and nationally recognized programs. |
| College of Education and Human Performance | The apple has served as the definitive symbol of education and knowledge for centuries. And for the College of Education, a galaxy of encircling stars serves as a shining example of diverse opportunities for learning. |
| College of Engineering and Computer Science | The Space Transportation System symbolizes one of the most complex and ambitious scientific feats ever achieved and epitomizes the spirit of the College of Engineering and Computer Science. |
| College of Graduate Studies | Leadership, research, and service empower graduate students in the division’s quality learning environment. The doctoral cap, hood, and gown epitomize the highest achievement for the College of Graduate Studies. |
| College of Health and Public Affairs | Academic programs in the College of Health and Public Affairs are bound together by a shared sense of purpose—to serve communities and contribute knowledge that improves the quality of life of citizens. |
| College of Medicine | The Rod of Aesculapius, serpent entwined around a staff, is an ancient Greek symbol associated with healing the sick. The rod topped by the UCF Flame of Hope is spiraled with the DNA’s double helix to form the symbol for the College of Medicine. |
| College of Optics and Photonics | The striking multifaceted relief captures the spirit of the Age of Light and epitomizes the science and technology of the College of Optics and Photonics and its dominant influence in the 21st Century. |
| College of Sciences | Science seeks to explain how the world works—living organisms, the physical world, people in groups, and people as individuals. Just as a microscope gives us a way to look at objects otherwise too small to see, so the tools of scientific inquiry let us observe nature in its many aspects. |
| College of Graduate Studies | Leadership, research, and service empower graduate students in the division’s quality learning environment. The doctoral cap, hood, and gown epitomize the highest achievement for the College of Graduate Studies. |
| College of Nursing | The spirit of the College of Nursing is conveyed by images that symbolize caring, knowledge, and leadership. |
| Office of Undergraduate Studies | The Office of Undergraduate Studies provides the foundation, vision, and leadership necessary for students to reach their academic potential and to prepare for the steps, challenges, and rewards of lifelong learning. |
| Rosen College of Hospitality Management | The central fountain, framed by Mediterranean arches, has come to symbolize the Rosen College of Hospitality Management’s state-of-the-art campus and its standard of excellence for the industry. |
| The UCF Creed | Integrity, scholarship, community, creativity, and excellence are the core values that guide the university’s conduct, performance, and decisions. |
University of Central Florida

UCF Stands for Opportunity in scholarship, leadership, research, and service. The university also creates opportunities for economic development, as well as community and industry collaboration. UCF is Central Florida’s higher education partner and its hometown university.

The talents of UCF’s more than 230,000 alumni, more than 59,700 students, and more than 10,000 faculty and staff members have made UCF one of the nation’s leading metropolitan research universities. And UCF is committed to innovative community partnerships, world-class research with local impact, and the integration of technology and learning.

The university offers 91 bachelor’s degrees, 86 master’s degrees, three specialist degrees, and 31 doctoral degrees, as well as more than 94 graduate certificate programs. To date, more than 255,000 degrees have been awarded.

The university seal, shown above, is the symbol that sets our university apart from others. As you might expect, choosing a university seal is no simple task. In UCF’s case, the job took 26 months. From the very first suggestion, submitted in early 1966, to the unveiling of the present seal, it was a task without precedent for those who were involved in the process.

In the two years after the first submission, nearly 50 designs and 70 different color combinations were considered. The motto, Reach for the Stars, eventually served as the inspiration for the seal. It was first verbalized by Charter President Charles N. Millican. The phrase came to him, he recalled, when he was flying on a night that was so clear the stars sparkled.

Stars were used in a variety of combinations. Pegasus, the winged horse of mythology, was added to depict both contrast and connection between old and new, the humanities and the sciences.

In their search for tenets on which to launch a new experiment in higher education, the university’s founders focused on two: Accent on Excellence and Accent on the Individual. Growth notwithstanding, their successors remain committed to that end. The university’s motto, Reach for the Stars, encourages UCF’s students, faculty and staff members, and alumni to go beyond the ordinary.

Indeed, extraordinary things happen in UCF’s classrooms and laboratories every day, and UCF is prominent among its peers. UCF Stands for Opportunity.
Dear Graduates:

Congratulations to each of you for the achievements that have brought you to this day. Congratulations are also in order to your families, whose love and support have undoubtedly contributed to your success.

Today’s commencement exercises mark the completion of a period of studying and learning, of developing and adapting, and of accomplishing and contributing. All of these activities prepare you for successful careers and for service as leaders in our society. Your university education will be of immeasurable benefit to you for the rest of your lives.

As you leave UCF, please remember three things. First, your education is a lifelong process. Maintain the intellectual curiosity that got you this far, and never cease your learning. Second, use your knowledge, your talent, and your degree for responsible purposes. Our world is so complicated that we need all the ability we can muster to solve the great problems of our time. Finally, remember your university and be loyal to it.

Best wishes for a lifetime of success and satisfaction.

Cordially yours,

John C. Hitt
President

* Applause is the most appropriate method of conveying congratulations as your graduate’s name is called. Other methods may keep your neighbors from hearing their graduate’s name.

As a courtesy to the graduates and families being recognized today, we ask that you remain in your seat until all graduates have crossed the platform.

The ceremony will last approximately two hours.

Thank you for joining the faculty, staff, administration, and student body in honoring our graduates.

**Commencement Speaker**

Orlando attorney and University of Central Florida alumnus Marcos Marchena was appointed to the UCF Board of Trustees in 2011. He is chair of the board’s Finance and Facilities Committee, and he also serves on the UCF Foundation Board of Directors.

Marchena is the senior partner of Marchena and Graham, an Orlando business and government law firm, and he is the general counsel to the Greater Orlando Aviation Authority.

Marchena has served as chairman of the Florida Transportation Commission, which maintains oversight for the Florida Department of Transportation. He has also chaired the Valencia College Board of Trustees, the Federal Middle District Judicial Nominating Commission, the Orange County Planning and Zoning Commission, and the City of Orlando Nominating Board.

Born in Cienfuegos, Cuba, Marchena immigrated to the United States in 1971. He earned a bachelor’s degree in political science at UCF and graduated *cum laude* from the Stetson University College of Law.
Thad Seymour is senior vice president of Tavistock Development Company and president of the Lake Nona Institute.

Seymour leads strategy and business development for Lake Nona’s Medical City, home to the UCF College of Medicine. He also focuses on driving innovation and cultivating collaboration among Lake Nona’s many partners, which include Nemours Children’s Hospital, the Sanford-Burnham Medical Research Institute, and the VA Medical Center.

A board member of BioFlorida, co-chair of bioOrlando, and immediate past chair of the Florida Research Consortium, Seymour is active in promoting the important role of research in accelerating economic development. He is also a regional board member of OneBlood and chair of Shepherd’s Hope, which provides medical care to uninsured and underinsured patients throughout Central Florida.

Seymour holds a bachelor’s degree from Dartmouth College, master’s and doctoral degrees from the University of Wisconsin, and an MBA degree from the Kellogg Graduate School of Management at Northwestern University.
The Honorable John Mica

U.S. Representative John L. Mica was first elected to Congress in 1992. He represents Florida’s 7th Congressional District, which includes Orange, Seminole, and Volusia counties.

Mica serves as the chairman of the Subcommittee on Government Operations in the Oversight and Government Reform Committee. He also is a member of the House Committee on Transportation and Infrastructure, which he previously led as chair.

Mica has received numerous awards during his tenure in Congress, including the Golden Bulldog Award from the Watchdogs of the Treasury, the Thomas Jefferson Award for Distinguished Service, and the U.S. Chamber of Commerce Spirit of Enterprise Award. In 1995, he was honored as one of 100 Americans to receive the Ellis Island Medal of Honor.

Prior to his election to Congress, Mica established several successful business ventures, including real estate, communications, and international trade and governmental affairs firms. A graduate of Miami-Dade College and the University of Florida, he served in the Florida House of Representatives from 1976 to 1980.
Grand Marshal ............................................................................................................................................ Ms. Patricia Leli

Commencement Speaker

Lars Houmann is president and chief executive officer of Florida Hospital and the Florida Division of Adventist Health System compromised of 23 hospitals.

His career has taken him to hospital administration positions in Massachusetts, California, Arizona, and Florida, and he is a fellow of the American College of Healthcare Executives.

He is a member of the Florida Hospital Association Board of Directors, a member of the Metro Orlando Economic Development Commission Executive Committee, and the chairman of bioOrlando, an organization dedicated to the development of the life sciences economy in Central Florida.

He volunteers with the American Heart Association, Shepherd's Hope Clinics, and the Seventh-day Adventist Church. He has participated in health care mission projects in South America and Africa.

Houmann earned his bachelor’s degree in business administration from Columbia Union College in 1979 and his master’s degree in healthcare administration from Loma Linda University in 1981.
Pam Bondi was elected as Florida’s 37th attorney general in 2010. She has worked to investigate mortgage and Medicaid fraud and to strengthen penalties to stop pill mills. She has also partnered with state legislators to crack down on drunk drivers who flee accident scenes.

Previously, Bondi served as an assistant state attorney for the 13th Judicial Circuit in her hometown of Tampa, where she successfully prosecuted first-degree murder cases.

The National Association of Drug Diversion Investigators recognized Bondi with its 2011 Leadership Award for her efforts to stop prescription drug abuse. She also has earned Stetson University’s Distinguished Alumna Award and the Tampa Bay Review’s Lawyers of Distinction Award for outstanding performance.

Bondi serves on the boards of directors for The Spring, Tampa’s domestic-violence shelter, and for Special Olympics Florida.

She graduated from the University of Florida in 1987 with a degree in criminal justice and from Stetson Law School in 1990 with a Juris Doctor. She was admitted to The Florida Bar in 1991.
Dr. Gideon J. Lewis is a UCF graduate, a board-certified reconstructive foot and ankle surgeon, an entrepreneur, and a volunteer UCF College of Medicine faculty member.

At the College of Medicine, he serves as director of the Pre-Medical Surgical Internship Program, which he founded. In 2010, he received the college’s first “Rising Star Award” for his contributions to UCF and the community.

Dr. Lewis earned his bachelor’s degree in molecular biology and microbiology at UCF. He earned his doctorate at the California College of Podiatric Medicine and completed his surgical residency at Florida Hospital. He is a fellow of the American College of Foot and Ankle Surgeons.

A former Division I collegiate athlete, he specializes in sports medicine. He routinely treats athletes from Major League Baseball, the National Basketball Association, the National Football League, the X-Games, and the Olympics.

In 2011, Dr. Lewis co-founded Drink Chia!, a healthy-lifestyle beverage available in more than 3,000 stores nationwide.

Baccalaureate Honors are conferred on those students who complete a minimum of 48 semester hours at UCF and attain an overall grade point average that falls in the top 10 percent of all graduating students in the same college over the prior two-year period.

Honors are distinguished as follows:

- *** summa cum laude—students in the top 2.5 percent
- ** magna cum laude—students in the top 5 percent but not in the top 2.5 percent
- * cum laude—students in the top 10 percent but not in the top 5 percent

The asterisk (*) appears as indicated above next to the name of each graduate who may qualify for Baccalaureate Honors.

Because records for the final term are incomplete at the time the commencement program is printed and final term grades may affect relative rankings and overall GPA, indication in the program of graduation with Honors is presumptive rather than conclusive.

Baccalaureate Honors list cutpoints are available at:
Candidates for Bachelor's Degrees

College of Arts and Humanities

Bachelor of Arts

Art BA

- Steven Philip Arterbury
- Kimberly Bugar
- Pamela Ann Dufrene
- Michelle Anne Graham
- Kimberly Rae Gujar

* Crystal Lynn McQuigg

The Commencement Ceremony and Academic Regalia

The Academic Procession has descended from religious processions that came to include teaching faculties when universities were closely associated with the medieval church. The presence of a piper in American academic processions has become popular in recent years. The pipers for UCF’s ceremonies are David Enzfelder, Reg Lyle and Ben Pugh.

The procedure followed for the awarding of degrees is based on a practice developed at the University of Paris almost 800 years ago. In those days, the bishop of Paris, like every other bishop, was responsible for local educational curriculum and degree granting. His authority in these matters, however, soon came to be disputed by the teachers. They asserted that only they could be the proper judges of the qualifications of the students. This threatened impasse was resolved by a compromise under which the teachers, or masters, judged the merits of the students and then recommended them to the bishop for their degrees. Today’s ceremony includes a secularized version of that procedure. A representative of the Faculty Senate certifies that the student candidates are qualified to receive their degrees. The president then authorizes the awarding of the degree.

Academic heraldry in the form of academic dress reaches as far back as the earliest days of the oldest universities. Formal directives concerning the correct and proper wearing of academic regalia date back to the early 14th Century. In the United States, as a result of our English heritage, caps and gowns have been used since colonial times.

As heraldic devices such as shields, coats of arms, and standards can describe the academic origin and accomplishments of the wearer. Easily recognizable are holders of bachelor’s, master’s, and doctoral degrees. With the same glance, the trained eye may identify the university that conferred the degree as well as the individual’s field of learning.

The procedure followed for the awarding of degrees is based on a practice developed at the University of Paris almost 800 years ago. In those days, the bishop of Paris, like every other bishop, was responsible for local educational curriculum and degree granting. His authority in these matters, however, soon came to be disputed by the teachers. They asserted that only they could be the proper judges of the qualifications of the students. This threatened impasse was resolved by a compromise under which the teachers, or masters, judged the merits of the students and then recommended them to the bishop for their degrees. Today’s ceremony includes a secularized version of that procedure. A representative of the Faculty Senate certifies that the student candidates are qualified to receive their degrees. The president then authorizes the awarding of the degree.

As heraldic devices such as shields, coats of arms, and standards could identify a knight and his individual heritage, academic regalia can describe the academic origin and accomplishments of the wearer. Easily recognizable are holders of bachelor’s, master’s, and doctoral degrees. With the same glance, the trained eye may identify the university that conferred the degree as well as the individual’s field of learning.

The shape and decorations of the gown are the keys to the highest degree earned by an individual. The gown for bachelor’s has long pointed sleeves and is designed to be worn closed only. The master’s gown has an oblong sleeve and is open at the wrist; the rear part of its oblong shape is square cut, and the front part has an arc cut away. The master’s gown may be worn open or closed. The doctor’s gown has bell-shaped sleeves, may be worn open or closed, and may be most readily identified by its velvet facing down the front and by three velvet chevrons on each sleeve.

It is the hood, however, which is the most important and distinctive feature of American academic pageantry. Chevrons enable those attending an academic function to distinguish at a glance the wearer’s academic heritage. The bachelor’s hood, seldom seen in American academic circles, is three feet long with a two-inch edging of velvet. The master’s hood is three and one-half feet long with a three-inch edging. The doctor’s hood is four feet long with a five-inch edging.

The color of the hood’s velvet edging represents the field in which the wearer earned his or her degree. Although black may be used for any area, colors denoting selected fields of learning are as follows at UCF and American universities: all Ph.D.s are edged in dark blue, while professional doctorates, such as the Ed.D., are edged in the color of professional discipline.

The hoods used by American colleges and universities are lined with silk in the official academic colors of the institution that conferred the degree. UCF graduates, for example, will wear hoods with linings of black and gold. Generally, a school’s academic colors are identical to its athletic colors.

The academic regalia you see before you today can be traced directly back to the beginnings of the oldest colleges and universities. In 1885, there occurred a widespread student movement in America to wear caps and gowns at commencement ceremonies. The graduating students seemed to feel a need for significant and dignified apparel for the occasion. By 1895, widespread adoption of a uniform code by 95 percent of colleges and universities in the country gave America its own distinct academic regalia.

However, at any academic gathering, there usually appear regalia which cannot be fathomed by these guidelines. Some of these may be from foreign universities; others are from those American institutions that have preferred to remain with the European tradition of allowing each school to determine its own costume. The result is the academic regalia you see before you today. The colors of the master hoods are as follows:

College Gonfalons

The gonfalon originated in the medieval state of Italy as an ensign of the state of office. The UCF gonfalons designate the university seal, the various colleges, and the core values of The UCF Creed. The colors of the university, black and gold, are joined together in a UCF star common to all colleges.

The University Mace

During the Middle Ages, the mace was an effective weapon in battle, but as newer and more powerful military arms developed, it was transformed into a symbol of authority.

The earliest ceremonial maces were borne by bodyguards of 12th Century English and French kings. By the end of the 16th Century, they were used widely by officials of English cities and towns. Today, the ceremonial mace is found in the British Houses of Parliament and is frequently carried in ecclesiastical processions and in university convocations and commencement ceremonies.

The mace incorporates two symbols identified with the University of Central Florida. The top is cast in the shape of the star found over the Pegasus in the UCF emblem. Inside the star is a reproduction of the “Flame of Hope” sculpture near the UCF library.

The mace is cast in bronze with three bronze UCF emblems inlaid at the crest of the rosewood staff. The center of the staff is engraved with the names of the presidents of UCF.

The creation of UCF’s mace was a collective effort by UCF art professor Jagdish Chavda, sculptor David Cambia, and wood craftsman David Conway.

The Presidential Medallion

The gold medallion worn by the university president at formal and ceremonial occasions marks the president as a distinguished scholar and administrator, the highest officer of the university, and one who strives to uphold the twin tenets established by its founders: Accent on the Individual and Accent on Excellence.

The medallion is embossed with the university seal showing the mythical Pegasus ascending toward a single heavenly star and the motto, Reach for the Stars. The seal serves as a visible reminder to each member of the university community to strive to reach individual goals. The president has been entrusted to maintain and develop an atmosphere in which these creeds can be realized. The presidential position represented by the medallion epitomizes the foundations and aspirations of the university that the president has pledged to uphold.

As the only university official who can formally award a degree, the president recognizes the graduates for meeting the standards of excellence set by the university and for reaching the point from which new ventures begin.

From the presentation of the first medallion in 1968 to charter President Charles Millican to the one worn today, the Presidential Medallion has remained a symbol of academic leadership and the legacy of those pioneers who launched a unique experiment in higher education.

Diploma Distribution Information

Approximately 6-10 weeks after commencement, all baccalaureate, education specialists, and master’s degree diplomas will be mailed to the address indicated on the student’s Intent to Graduate form. To update their diploma mailing addresses, undergraduate students should contact the Registrar’s Office and master’s students should contact the College of Graduate Studies.

For additional information, undergraduate students should call the Registrar’s Office at 407-823-3100. Graduate students should contact the College of Graduate Studies at 407-823-4132.

Congratulations, graduates!

Lost and found items may be turned in or claimed at Guest Services, located at the main entrance on the second level. All University of Central Florida campus activities, events, programs, and facilities are available to all students of any race, color, religion, sex, national origin, age, disability, marital status, sexual orientation, gender identity, gender expression, and veterans’ status with due respect to law and the university’s philosophy of respect for individual and personal dignity.
UCF ALMA MATER

Words & Music: Burt Szabo

All hail to Alma Mater whose banner black and gold, will wave in fame and splendor as the passing years unfold.

May loyalty and friendship within our hearts unite, and light the star to guide us ever upward in our flight.

With honor and affection our friendship will renew, we sing of thee our Alma Mater ever true.
THE UCF CREED

Integrity, scholarship, community, creativity, and excellence are the core values that guide the university’s conduct, performance, and decisions.

Integrity
I will practice and defend academic and personal honesty.

Scholarship
I will cherish and honor learning as a fundamental purpose of my membership in the UCF community.

Community
I will promote an open and supportive campus environment by respecting the rights and contributions of every individual.

Creativity
I will use my talents to enrich the human experience.

Excellence
I will strive toward the highest standards of performance in any endeavor I undertake.

College of Arts and Humanities
The senses of sight, sound, and sensation are transformed by spirit and creativity into meaningful diverse forms of expression in the College of Arts and Humanities.

The Burnett Honors College
Illumination is knowledge—the eternal flame symbolizes The Burnett Honors College’s mission to foster honor and passion for lifelong learning.

College of Business Administration
Familiar symbols elicit world marketplace images of competition and finance for the College of Business Administration with its innovative curriculum, state-of-the-art facilities, and nationally recognized programs.

College of Education and Human Performance
The apple has served as the definitive symbol of education and knowledge for centuries. And for the College of Education, a galaxy of encircling stars serves as a shining example of diverse opportunities for learning.

College of Engineering and Computer Science
The Space Transportation System symbolizes one of the most complex and ambitious scientific feats ever achieved and epitomizes the spirit of the College of Engineering and Computer Science.

College of Graduate Studies
Leadership, research, and service empower graduate students in the division’s quality learning environment. The doctoral cap, hood, and gown epitomize the highest achievement for the College of Graduate Studies.

College of Health and Public Affairs
Academic programs in the College of Health and Public Affairs are bound together by a shared sense of purpose—to serve communities and contribute knowledge that improves the quality of life of citizens.

College of Medicine
The Rod of Aesculapius, serpent entwined around a staff, is an ancient Greek symbol associated with healing the sick. The rod topped by the UCF Flame of Hope is spiraled with the DNA’s double helix to form the symbol for the College of Medicine.

College of Nursing
The spirit of the College of Nursing is conveyed by images that symbolize caring, knowledge, and leadership.

College of Optics and Photonics
The striking multifaceted relief captures the spirit of the Age of Light and epitomizes the science and technology of the College of Optics and Photonics and its dominant influence in the 21st Century.

College of Sciences
Science seeks to explain how the world works—living organisms, the physical world, people in groups, and people as individuals. Just as a microscope gives a way to look at objects otherwise too small to see, so the tools of scientific inquiry let us observe nature in its many aspects.

Office of Undergraduate Studies
The Office of Undergraduate Studies provides the foundation, vision, and leadership necessary for students to reach their academic potential and to prepare for the steps, challenges, and rewards of lifelong learning.

Rosen College of Hospitality Management
The central fountain, framed by Mediterranean arches, has come to symbolize the Rosen College of Hospitality Management’s state-of-the-art campus and its standard of excellence for the industry.

The UCF Creed
Integrity, scholarship, community, creativity, and excellence are the core values that guide the university’s conduct, performance, and decisions.

Gonfalons Symbolize the Spirit of the University of Central Florida
This commencement program will be available at http://commencement.ucf.edu/2014/spring/archive for download as a PDF beginning Monday, May 5, 2014.
