

University of Central Florida Fall 2014 Commencement

Commencement is a very special time for the University community; a time to recognize and celebrate academic achievement. To ensure the safety and comfort of our graduates and their guests, tickets for admission to the CFE Arena are required for all attendees, including children and infants.

Simulcast

Guests who do not have tickets for CFE Arena seating have the opportunity to view a live telecast of the ceremony at the FAIRWINDS Alumni Center and on Campus Cable Channel 21.

Live Internet Broadcast

Commencement ceremonies can be viewed over the World Wide Web: <http://webcast.oir.ucf.edu>

After the Ceremony

After the ceremony, guests are encouraged to meet their family, friends, and graduates at the Victory Knight Statue in front of the FAIRWINDS Alumni Center, located across from the CFE Arena. GradImages will be available for professional pictures following each Commencement.

UCF Barnes & Noble Bookstore

The UCF Bookstore welcomes guests to browse their wide selection of UCF merchandise. They are located across the street from the CFE Arena and in the John T. Washington Center, and will be open on the day of Commencement. Please visit the Bookstore's website for official hours and information:
